March 2023 Update

While selecting a website name on which to put our missions information, I was struck by the thought that the very first pronouncement after our Savior's birth was a message of salvation for all the world, and that this good news was to be shared with all mankind. The Scriptures are replete with the truth that the provision of salvation is a message for all the world. Isaiah 59:19 says, "So shall they fear the name of the LORD from the west, and His glory from the rising of the sun." And so, we chose goodtidingstoall.org.

Since our last prayer update, while continuing to serve at Fairhaven Baptist College, we had the privilege to speak at First Baptist Church in Oak Creek, Wisconsin; Maranatha Baptist Church in Lyons, New York; Grace Baptist Church in Urbana, Ohio, as well as in our home church. In addition to sharing the field of Myanmar we were blessed by wonderful Christian fellowship at each church. The missions conference at Grace Baptist in Ohio allowed us time with our son Levi and his wife Bethany, as well as our little grandson, Jack. God has been good to our family, and we thank Him for that.

We praise the Lord for seven churches that have partnered with us financially so far. We have another 40 meetings scheduled for this year. We would like to add several more meetings in an effort to "fill up" our schedule through December.

We look ahead to a few more missions meetings in the next month. We also hope to visit a couple of churches in the Indianapolis area where many Burmese live. The last week in April is the annual Preaching Conference at Fairhaven and is the highlight week of the year for us. God has used the preaching during this week repeatedly during our years at Fairhaven.

Thank you for your prayers. The need remains ever the same—for the Lord to call forth more laborers for Myanmar and for those called to respond in obedience. Baptist missionary William Carey preached, "Expect great things from God; attempt great things for God." That is our goal also.

We have made a short video to go along with this written update. You may enjoy watching it also.

Sincerely,

Dan Armacost
