June 2023 Update

This update comes to you from the “South,” where we will be for much of this month. Our meetings include stops in Florida, Tennessee, Alabama, Kentucky, and West Virginia. To start this month, I was blessed to share about our mission field at the church I grew up in (this month’s update video was taken there). Each meeting we meet believers faithfully serving the Lord where He has them in their churches.

We “closed up shop” (essentially) on our home of many years at the end of May, and now are full-time “on the road.” We are thankful for the Lord’s blessing for safety as well as for a good schedule of meetings through the end of the year. Through the commitments of several more churches, our support level stands now at 36%.

I’ve decided to make quick stops along the way on our travels at locations notable in Baptist history. I do this for several reasons. First, I want myself and my family to be reminded of the faithful men and ladies that “loved not their lives unto death.” Next, we want to use this information as we teach young people in Myanmar the heritage of faith in God and His word. And last, we believe that highlighting these places and people may encourage others to surrender to the Lord’s work here in the States. Our website goodtidingstoall.org will contain these short videos.

On the family side, Annette and Luke are traveling with us this summer, and Juliana is fast approaching her August wedding to John Bottrell. Levi, Bethany (and Jack!) stay busy with their church and Christian school ministry work in Ohio.

There is word of potential elections this fall in Myanmar. Please keep the outcome of these in your prayers. What a joy to meet a few people along the way that have Burmese-speaking friends. We have shared with them the gospel booklet “The True Enlightenment” in the Burmese language.

Sincerely,

Dan Armacost
