July 2023 Update

When missionary Adoniram Judson arrived in Burma (present day Myanmar) in the early 1800s, the population was about 4 million people. Today, over 55 million souls live in Myanmar. The pioneer missionaries to Burma wrote home frequently explaining the great need for laborers for their field. No doubt you sense the urgency of this hour when the population is ten times more!

We praise the Lord for the opportunity to speak in six churches in June and another eight in July. We have enjoyed sweet fellowship around the word and the work of the gospel. Praise the Lord we saw several young people saved in June while participating in a vibrant VBS and missions conference in Alabama. The last Sunday in April began a string of thirty-five consecutive Sundays in which we will present our work in a different church, taking us through the end of 2023.

Please pray for:

1. Safety in travel and opportunities to share the gospel.
2. The working of the Holy Spirit to convey the burden and need of Myanmar to churches.
3. Strengthening of believers presently in Myanmar.

The first part of July found our travels in the vicinity of Jennifer's parents, Milburn and Carolyn Rinehart. We praise the Lord for their godly example throughout our lives. We were blessed to stay with them for a few days between meetings. We also spent a day with our grandson, Jack, to "celebrate" his first birthday a few days early. We are looking forward to the wedding of our daughter Juliana on Friday, August 4.

Along with the blessing of spending time with many believers at churches, seeing and hearing of the spiritual needs of people all around compels us to pray for America with renewed fervency. May God grant spiritual courage to the Bible-believing churches of our nation to seek a fervent walk with Him!

Sincerely,

Dan Armacost
